## Arlene Cribb Leading In Legion Queen Race Of Four Candidates

### Unofficial Tabulation Reveals Other Contestants Close Behind Her

Miss Arlene Cribb is leading in the race for the honor of reigning this year as the Antioch Legion Queen, according to unofficial count of votes.

Miss Cribb, daughter of Mr. and Mrs. Harlo Cribb of Depot st., and sponsored by Reeves Drug Store, was ahead by a small margin according to the committee in charge of the contest.

"Other contestants are practically breathing on her neck," said W. V. Lahti, chairman, "and Miss Cribb is hoping that she can increase her lead."

Other contestants are Carol Frazier, sponsored by King's Drug Store; Edwyna Chernik, sponsored by the Antioch Sheet Metal shop; and Miss Ella Edwards, sponsored by Smart's Country House.

The winner of the contest and her mother will receive a four-day all-expense-paid trip to Washington, D. C. Savings bonds will be awarded to the other contestants.

Voting will end on Sunday, July 10 and the queen will be crowned at the American Legion Carnival that evening.

## Whitacre Announces Grade School Faculty For Next School Year

Completion of the teaching staff of the Antioch Grade School has been announced by Supt. Richard Whitacre.

Harrison Brown will serve as assistant superintendent and have charge of visual aids.

The teachers and their assignments are as follows:

Mrs. Virginia Blake—kindergarten, Miss Laura Pedley—first grade, Mrs. Esther Wilton, first grade, Mrs. Eleanor Kufalk—first-second grade combination; Miss Barbara Barthel second grade, Mrs. Lucille Whitacre—second grade, Mrs. Ruth Baethke—third grade, Mrs. Shirley Edwards—third grade, Mrs. Katherine Cain—third-fourth grade combination.

Mrs. Wanda Barthel—fourth grade, Mrs. Fanny Yates—fourth grade, Mrs. Mary Bruski—fifth grade, Mrs. Belinda Dittman—fifth grade, Mrs. Arlene Cramer—sixth grade, Mrs. Edna Becker—seventh grade, Harrison Brown—seventh grade, Mrs. Hester Garland—eighth grade, Stuart Good—eighth grade and coach, Mrs. Margaret Aschenbrenner—vocals music, and George Olisar—band director.

## Swimming Pool Group To Organize Tonight; Select Pool Location

Formal organization of the Lions Club Swimming Pool committee through the adoption of by-laws will take place this evening at a meeting in the Rescue Squad building.

A representative of the firm of Walton and Walton, architects, will be at the village park at 7 p. m. to select the site for the location of the pool which the committee proposes to build, Chairman G. W. Jensen announced.

With all members of the committee back from vacation, Jensen said that the movement to organize and obtain a swimming pool for the village will move forward rapidly.

## Antioch Publisher Gets Recognition from A. L. National Commander

Howard Gaston, co-publisher of the Antioch News, is one of a number of Lake County and Chicago publishers and editors who were honored last evening by Homer Dahlinger, post American Legion in Waukegan.

The occasion was a dinner for Swaborn P. Collins, national American Legion commander, who flew to Waukegan to pay tribute to Marcel Talcott of that city who originated and promoted the National Graves Registration and Memorial program.

The national commander took the opportunity of the occasion to confer honors to five daily and 16 weekly newspapers for contributing to the success of the American Legion.

## Warm Weather Brings Vacationers to Antioch

Warm weather this past week brought vacationers to the Antioch area in droves, but the big crowd will not come to the resort area until after Friday when the Chicago schools close for the summer.

Business men in Antioch felt the impetus of summer business this week and are looking forward to a good season.

## No LeMans Tragedy Possible at Wilmot Race Track Sunday

WILMOT, Wis.—With good weather finally here, the postponed road races of the Sports Car Club of America will be run off next Sunday afternoon. The annual event for simon-pure amateur drivers will transform the scenic, winding one mile stretch of blacktop track, which makes a complete but highly unusual circle through the rugged Wilmot Hills, into a roaring exciting scene.

A crowd of 50,000 spectators is expected to be watching in safety from ski slopes which overlook the entire track. Over eighty-four of the country's leading drivers will compete in these annual Relaxed Road Races, sponsored by the Chicago Region of the Sports Car club.

Five Races  
Five races of 10 to 25 miles are slated, the first starting at 1:30 p. m. Each event will be for different classes of automobiles, and the growing army of fans will see some of the world's finest sports machinery and drivers battling for highly coveted cups and ribbons, the only rewards available for these amateur sportsmen.

Over 20,000 persons came out in the rain on June 12, but the event was postponed because of wet and dangerous track conditions.

With the Le Mans, France, tragedy fresh in mind, sports car club officials pointed out that Wilmot Hills provides genuine safety for spectators. Fans get quite a break at Wilmot Hills because the view from the side of the ski slopes makes it both safe and possible to oversee the whole winding and oddly circular track.

## Kermit F. Schreck, 44, Passes Suddenly of Heart Attack Thursday

Kermit F. Schreck, 44, Trevor, Wis., died Thursday, June 16 at 1:20 p. m. suddenly of a heart attack, at his home. He was born June 24, 1910, at Trevor and had lived in Trevor or vicinity all his life.

He operated the Schreck Sports shop in his home for several years. Mr. Schreck was deputy sheriff of Kenosha county for 22 years. He was a member of Chicago Moose Lodge No. 3; the Wisconsin Sheriff and Deputy Sheriffs Association; Kenosha County Deputy Sheriffs association, Wisconsin Traffic and Radio operators association and the Wisconsin Conservation club.

Survivors are his wife Dorothy, a sister, Mrs. Fossie Moran, Trevor, a niece and two nephews.

Funeral services were held at 2 p. m. Saturday at the Strang Funeral home, Antioch. The Rev. Robert Smith, pastor of the Salem Methodist church officiated. Interment was in Liberty cemetery.

Undergo Surgery at Waukegan  
Surgical patients at St. Theresa hospital in Waukegan over the weekend were Lynn Fortmann, Mary J. Whittingham and Bernard Thompson of Antioch, and Mrs. Kenneth Denman of Lake Villa.

## Sox Undefeated in Little League Play; Cubs in Second Place

The Sox jumped off to an early lead in Little League play with resumption of the games which were halted by rain. The league leaders have had no defeats, but are chased by the Cubs who had been defeated but once up to Tuesday evening.

Games are played every evening except Saturday and double-headers are scheduled for Sunday.

Play this weekend will have the Yanks playing the Dodgers this evening; Tigers vs. Cubs Friday evening; Sox vs. Yanks, and Tigers vs. Giants Sunday afternoon.

Those who haven't seen the Little League games, haven't seen the new playing field, the dugouts, the stands, the refreshment stand, the flagpole and flag donated by the Antioch American Legion post, are urged by those in charge to take advantage of the opportunity to see them.

Word has come from Sven Dahlman, athletic director, that men are urgently needed for umpiring, coaching, and help in general. The Mothers' Club needs volunteers for the refreshment stand.

LITTLE LEAGUE STANDINGS (Including Tuesday, June 21)			
Sox	4	0	1,000
Cubs	3	1	750
Dodgers	3	2	600
Tigers	1	3	250
Yanks	1	3	250
Giants	1	4	200

## Open House Scheduled For Red Cross Chapter At Waukegan on Sunday

This is your Red Cross and Sunday, June 26 will be a red letter day for the North Lake County chapter, as, on that day, between the hours of 3 and 6 p. m., the always "Welcome Mat" will be trod on by those of you who wish to visit your Chapter Headquarters at 308 Julian st., Waukegan.

Because of the significance of the occasion, Mrs. Louis Diamond, Chapter Chairman, has announced this will be a combined annual meeting and open house; the 38 appointed and elected board members will be at the Chapter to assist in conducting tours through the house; one of the few historic places left in Waukegan. The house is historic in that Abraham Lincoln was a guest of the Mayor of Waukegan and the room in which he slept has been redecorated, in keeping with the decor of that period. It will hereafter be known as the "Lincoln Room." The room has been furnished with authentic furnishings of the 1860's and many lovely antiques have been donated by Lincoln collectors throughout the state.

The present board, and these newly elected members, Mr. Ross Burgess, Zion, Mrs. Donald Martin, Wildwood Subdivision, Warren township, Rev. Kenneth M. Plummer, Lake Villa, Mr. Jacob Novak, North Chicago, Mr. Herman Holbek, and Mr. George Borovicka, Antioch, Mrs. W. A. Rose, Mr. Aresene DeNoyer, Mr. Arthur Sauerberg, and Mr. John P. Kottcamp of Waukegan, will be very pleased to meet and greet their many friends and acquaintances in the North Lake County Chapter area.

Present board members are, Mr. Roland Kennedy, Mr. William Wuestenfeld, Mr. Richard R. Baird, Elmer Milligan, Richard DuSault, Kenneth Wells, Lawrence Turner, Jack Brigham, Mrs. Louis Diamond, Mrs. Jerome Morrison, Dwayne Doemeier, Mrs. Charles G. Marks, Mr. (continued on page 6)

## Funeral Service Today For Victor G. Bown, 465 Lake St., Antioch

Funeral services were held at 1:30 p. m. today at the Strang Funeral home for Victor G. Bown, 51, of 465 Lake st., who died at 6:20 p. m. Monday at his home following a lingering illness.

Burial was in Hillside cemetery. Mr. Bown was born Oct. 7, 1903 in Bristol, England, and was three years old when his parents, Mr. and Mrs. Bert Bown brought him to Antioch. He has resided here the rest of his life, being employed as a steamfitter.

He was a member of the Loyal Order of Moose lodge 525.

Surviving are the widow, Helen, a son, James, three daughters, Mary Nancy and Betty Lou, all at home; his parents, a sister, Mrs. Clarence Mair and a brother Morris, all of Antioch, and a brother, Herbert Bown, of Waukegan.

## 4-H Entertainers Will Star at County Fair At Waukegan, July 28

Many interesting events have been planned for the 27th Annual Lake County Fair and 4-H Club show to be held at Waukegan July 28-31, according to L. A. Nordhausen, secretary of the fair.

Again this year the first evening's entertainment will feature the first place winners of the Lake County 4-H Share-the-Fun Festival. These talented youngsters will present several vocal, instrumental, dance, and stunt numbers.

The highlight of the Friday and Saturday night program will be a spectacular fireworks display.

The Saturday afternoon program will feature a horse show including several classes and novelty numbers. The 4-H members enrolled in the horse project will put on a special show of riding and equitation.

In addition to the above special features, there will be many other entertainment acts each afternoon and evening.

Of course no fair would be complete without the thousands of livestock, farm crops, vegetables and flowers, domestic arts, fine arts, farm machinery, and commercial exhibits. These will all be in abundance at the Lake County Fair and 4-H Club show.

Anyone interested in exhibiting in any one of the thousands of different classes may obtain a premium catalog by writing Mr. L. A. Nordhausen, secretary, Lake County Fair Association, Grayslake, Ill.

## William Maleck Improves From Injuries Received In Fall at Notre Dame

William Maleck, son of Mr. and Mrs. George Maleck, Indian Point merchant, is in St. Theresa hospital, Waukegan, suffering from a brain injury and partial paralysis caused in an accident at Notre Dame university a month ago. He was a first-year student there, having entered last fall after graduating from Campion High school where he was an outstanding athlete.

Young Maleck was participating in some gymnastics in which he balanced on a rope held in suspension by two other students. One of the students is said to have let go of his end of the rope and William fell on his head. A brain hemorrhage resulted and he became paralyzed on one side. He is slowly improving and recovery is hoped for.

## Skull of Young Woman Found in Waters of Grass Lake at Bridge

The skull of a woman who Pathologist Dr. Hugh Wilson says was in her early 20's was brought to the surface of Grass Lake by a fisherman at Grass Lake Rd. bridge last week.

The Antioch Rescue Squad did some dragging in the area and turned up a pelvic bone and a piece of wire. The bone proved to be that of a dog, however.

The skull brought to the Strang Funeral home, was examined by Coroner Robert H. Babcox, who said a slight examination could not determine how long the skull had been in the water. Tests which will take about a week will determine the possible time.

In the meantime a check will be made of the files for missing persons.

The presence of wire in the place where the skull was found gave indication that the body may have been weighted when it entered the water.

A diver was summoned to make a thorough search of the shallow waters for other parts of the skeleton.

The skull caught on the fish line cast by Robert Rosas, 23, of Great Lakes Naval Training Center, who immediately reported his find.

## Antioch Junior A. L. Loses First 3 Games; To Play Lake Zurich

Losses to Mundelein, Libertyville and Deerfield have been chalked against Junior American Legion team at the outset of the new season.

Antioch lost to Deerfield 6 to 2, to Libertyville at Antioch 7 to 1, and to Mundelein here Monday, 3 to 2. The Antioch boys will play Lake Zurich at that village tomorrow evening. Although they have been on the losing end of the score the Antioch players are having a lot of fun out of the game, and are (continued on page 7)

## Cmdr. Austin Kersten Heads V. F. W. as Post Builds its Club House

Cmdr. and Mrs. Robert Strang, Cmdr.-elect Austin Kersten, and Alternate Delegate Jack Seib attended the state Veterans of Foreign Wars Encampment at Peoria's Pere Marquette hotel last week. Kersten became commander of the local post on Monday.

Biggest item of business under his command this year is construction of the new club house which recently was approved by the zoning board. Situated on Rte. 59, the two-acre plot purchased from Charles Ackerman will be known as "Ackerman Park."

The club house will have a main section 40 by 60 feet which will contain a ball room, and a 20 x 25 foot side room that will house an office and nursery. There will be channel rights and picnic facilities for members and family. There will be no public bar.

## Laura Lee Laursen Funeral Tomorrow

Laura Lee Laursen, 4½ year old daughter of Mr. and Mrs. Clifford Laursen of North Ave., Antioch, died at 10 p. m. Monday at the Dixon State School hospital following a lingering illness.

Laura Lee was born Dec. 22, 1950 in Waukegan. Surviving are her parents, Clifford and Betty Laursen, a brother Lance; a sister, Dawn; the paternal grandparents, Mr. and Mrs. Ray Laursen of Zion; and the maternal grandparents, Mr. and Mrs. Jacob Kaiser of Lake Villa.

Funeral services will be held at 3 p. m. Friday at the Millburn Congregational church with the Rev. L. H. Messersmith officiating. Interment will be in the North Shore Garden of Memories. Friends may call at the Strang Funeral home after 7 p. m. today and until noon tomorrow.

Attends Boys State  
Jerome Meyer, a senior at Antioch High school, is attending Boys State at Springfield this week under sponsorship of the American Legion. He is the son of Mr. and Mrs. Herbert Meyer.

## Antioch People to Pay Higher Tax This Year, But Less Than Others

### Grade School Improvement Ups School Tax 5% for District 34

Antioch property owners may expect to see their tax upped a little this year.

Antioch's grade school tax will be increased from 2.501 to 2.628 a difference of .127 according to Walter J. Smith, chief clerk in the tax extension department of County Clerk Garfield R. Leaf.

The increase is a part of a general picture of increases which will see Lake County's 181,309 tax bills calling for a total payment of \$20 million.

The average increase for the county is 10.52 but Antioch's amount will be less.

County Treasurer Guy O. Lunn said that the tax bills will be sent out about the second or third week in July. That will mean that schools and towns will have to wait a little longer than usual for their money.

There will be but one deadline date this year for payment, Sept. 1.

For the county as a whole, real estate assessments are up by \$23,582,535, but personal property assessments declined by \$3,384,230. Smith reported that real estate assessments for the 1954 tax year, on which property owners will be paying this summer when the tax bills come out, total \$571,642,445.

Personal property assessments are \$88,134,790 as compared to \$91,519,020 in the previous years. Railroad assessments, figured by the state, were down a total of \$451,381 throughout the county from \$15,127,438 in 1953 to \$14,676,057 in 1954. Capital stock on which owners will pay taxes this year is up \$187,750, from \$4,746,700 in 1953 to \$4,934,450 in 1954.

Grade schools emerge again as the largest single consumer of the tax dollar. The tax extension for grade school purposes for 1954 is \$8,101,988.38, an increase of \$1,122,743.30. High schools ran a close second, extending \$6,069,643.01, an increase of \$373,180.10 over the previous year. Cities and villages were the third largest single item, extending \$2,611,403.32, an increase of \$277,000.55; and county purposes were fourth, extending \$1,222,897.92 an increase of \$134,082.80.

Most notable saver of the tax dollar were the sanitary districts which lowered their extension this year by \$89,669.62, to a figure of \$444,825.86.

## 54 Antioch Students Register for Swimming Lessons at Round Lake

Fifty-four Antioch area pupils registered Wednesday morning for Red Cross swimming instruction at Round Lake.

Antioch children were assigned to the 12:00 o'clock classes on Tuesday and Thursdays.

The classes will be conducted twice a week for six weeks, the program ending August 4. The program will start Tuesday, June 28.

Transportation will be furnished children of the Antioch Grade school District No. 34. A school bus will leave the grade school at 11:30 a. m. each Tuesday and Thursday, until the program ends.

Adult supervision will be provided for the bus children on each trip. Parents who can help with this program are to call Mrs. Richard Eckert, president of the Antioch Grade School P. T. A.—telephone Antioch 219-M-2.

## Aurora Man Critical From Burns Received At Twin Lakes Cottage

An Aurora, Ill., man, Edward Lyons, was critically burned at his cottage at Twin Lakes, Wis., Sunday afternoon when an inflammable liquid he poured from a can on a charcoal fire exploded.

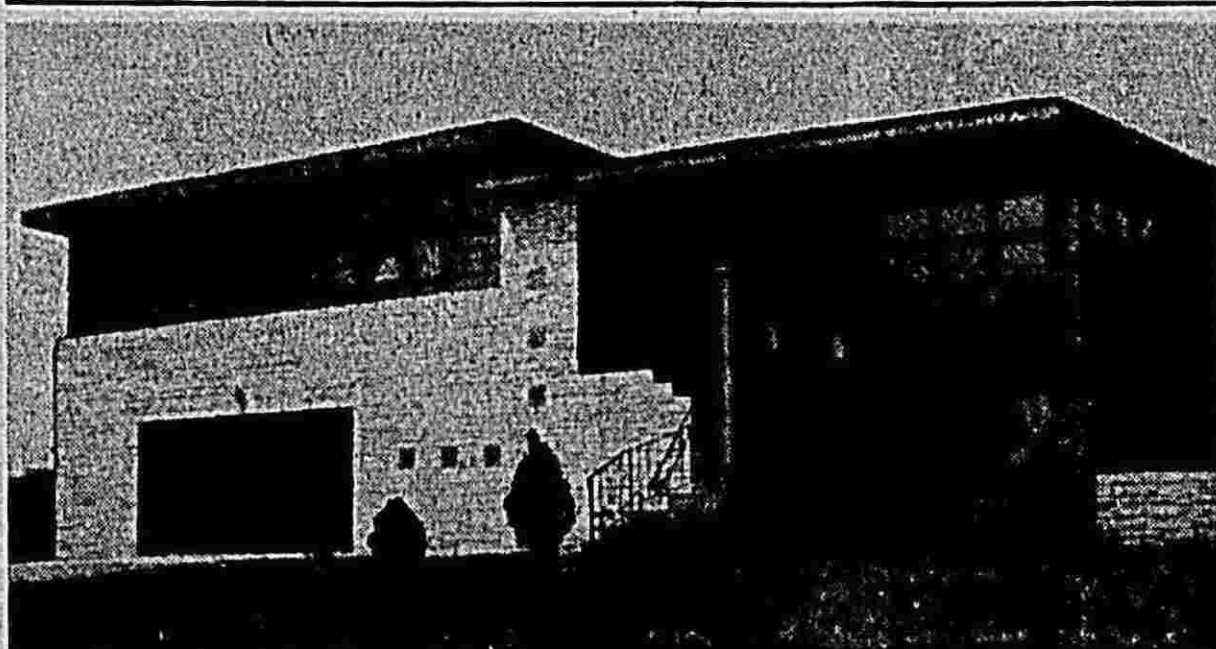

The Twin Lakes Rescue squad tore the clothing from his body, sprayed him with an ointment and rushed him to the Memorial Hospital at Burlington where his condition was said to be fair. Three-fourths of his body was burned in various degrees.

The exploding can was hurled 50 feet into a neighbor's yard.

Capt. Earl Van Horne of the rescue squad issued a warning to people to avoid this accident which results when inflammables are poured on live coals.

The Rev. Howard Benson, Mrs. L. V. Sittler and Mrs. S. Boyer Nelson are attending the annual Methodist conference held in Elgin this week.

## Osmond Home Is "Home of the Week"

The Lester Osmond, Jr., home on Rte. 59 just south of Rte. 173 overlooking the Ackerman channels, was the winner in a "Home of the Week" contest sponsored by a Waukegan organization. The outstanding home attracts many of the passers by. It is constructed of redwood and limestone, trimmed with roman brick. The C. F. Melredirk Construction Co. built it a year and a half ago. Homer La Plant did the masonry, and Elmer Christofferson, the electrical work. The Antioch Sheet Metal Co. did the furnace work.

### Economic Highlights

It is undoubtedly true that hope is higher now than it has been for years that the threat of World War III can be lessened, and the existing uneasy peace made more secure. That hope is based on another hope—that there has been a significant change in attitude in the Kremlin. Doughty old Winston Churchill suggested this, rather cryptically, when he said: "We have a new scene. New men are masters in the Kremlin. It is by no means certain that there is not another 'new look' on other faces with more powerful forces behind them which may still be most beneficial to the overwhelming masses of people all over the world who wish to dwell in peace with one another."

This view is not universally held by any means. Authoritative and respected voices here and abroad warn that the Russian leopard will not change his spots, and that to think otherwise is the most dangerous of illusions. However, the top men in the West, for the most part, are now taking a cautiously optimistic stand. President Eisenhower, for one, sees signs of light ahead. It is of the utmost significance that he has agreed to a Big Four conference "at the summit," not just on the level of the foreign ministers. In the past, he was very cool to this idea.

In part, the President's present position may be due to the pressure exerted by the British and French in behalf of any action that offers the slightest chance of improving the world situation. But the Russians, under their new leadership, have taken some tangible and important steps. The signing of the long-delayed Austrian peace treaty, which makes that country a neutral tied neither to East nor West, is the outstanding example. And apparently, the Russians will discuss the Formosa problem without the participation of Red China, which they refused to do in the past.

Dorothy Thompson, long a student of Russia and international communism, recently disputed the idea that nothing can or will change Lenin's theory that a long period of co-existence between capitalism and communism is impossible, and that one or another will have to be destroyed. This concept, Miss Thompson argued, was radically changed by Stalin, "Who made the building of the USSR primary, and pushed world revolution into the background and sought safety in a 'position of strength' and a balance of power." She believes that the situation holds the possibility "of a long period of armed but peaceable co-existence."

In another of her columns, Miss Thompson made an unusual and thought-provoking point. She wrote: "There is an odd contradiction in our own propaganda about the Soviet Union. On the one

hand we say that the rigid monolithic structure of communism is unable to produce for basic human needs, and, on the other, that it is capable of launching a third world war—war being the greatest imaginable consumer of goods and services. Both views simply cannot be correct."

In any event, the world outlook may change materially this summer. No one expects miracles from a Chiefs of State meeting or anything else. But perhaps, at long last, some groundwork for ultimate success in the reconciliation of differences may be laid.

### Grass Roots Opinion

CANNELTON, IND., NEWS: "Our great freedoms, our tremendous industrial assets, our great farm endeavors, our record of discoveries and inventions and countless other fundamentals which combine to make us defenders of our theory of life have not come by accident. They have all been possible because we live in a nation of free-enterprise."

BEAVER FALLS, PA., NEWS-TRIBUNE: "The people of this country who would like to have their taxes reduced (and who wouldn't) should taken note of this. Tax reduction is the reward of having a balanced budget. Our taxes can be reduced again when the administration and Congress get our budget back into balance. Let's hope it won't be too long."

INTERNATIONAL FALLS, MINN., DAILY JOURNAL: "The customers—you and I multiplied by millions—decide what products our factories will make, how much will be made, and the price they will be sold at. Competition for the customer's money weeds out inefficient businesses, and forces others to become more efficient. This in turn brings about lower prices, better quality and service, and the development of new and improved products."

MOUNTAIN CITY, TENN., TOMAHAWK: "Under freedom the people of this country have prospered."

### The Low Down From Hickory Grove

Today I hop my bicycle and take off for the big wheat country. And before delving further, I say to the brethren out there that I am for wheat—and the man who raises same. And also I say that the top booster for the wheat country—and the real friend of the farmer and his helpmate there, is Senator Benson, Mr. Ike's top man in agriculture.

In our Congress, rocks are piled on the track of Brother Benson's attempt to put farming back on an even keel. Props are the culprit. Wheat has been so thoroughly propped that enough wheat is in storage to feed us for two years—including plenty for export. And the storage bill per year is 150 million dollars. You need no crystal ball to see there is something catawampus when 2500 million bucks is tied up earning nothing—but costing plenty interest.

It is okay for a farmer to buy a Cadillac and the adjoining 80, but it is okay only if there were also props under dividends, salaries, shingles, oil or whatever it is that your are up to, for making a living. For tackling the job of getting agriculture down to earth again, I hand the palm for vertebrae and fairness to this Utah gentleman, Mr. Benson.

Yours with the low down,

JO SERRA

### WILMOT

Mrs. Paul Ganzlin attended a reception Saturday evening at the home of Mrs. Millie Faber, Silver Lake, in honor of her daughter and son-in-law, Mr. and Mrs. George Klontz of Inglewood, Calif. Mrs. Klontz was formerly Shirley Faber. They were married June 7 in California.

Mr. and Mrs. Frank Madden, Kenosha, spent Sunday evening with Mrs. Paul Ganzlin.

Mr. and Mrs. Floyd Mathews and daughter, Betsy, Waukegan, and Mrs. Oliver Mathews, Antioch, spent Thursday evening with Mrs. Paul Ganzlin.

Mrs. Eva Gaylord, Girl State chairman accompanied by Mrs. Lucy Himens and Mrs. Carolyn Horan, took Rosalie Morris, Girl Stater of Antioch Unit, to a get acquainted tea held in the Legion Home at Grayslake June 11. This party was given for all Girl Staters of Tenth District so that they could get to know each other before going to Jacksonville to attend Girls State college one week in June.

**Carnival Days July 6-10**  
The midsummer carnival sponsored by the Antioch Legion Post and its Auxiliary will be held from July 6 to July 10 inclusive. Fun for all is guaranteed. Rides for the little folks and for big folks, too. Many booths, games, lunch, Veterans' craft will be among the attractions.

The next regular meeting of Antioch Unit will be held in the Legion Home Friday, June 24, at 8 p. m. Final plans for the carnival will be made at this meeting.

**Card of Thanks**  
We wish to thank all of our customers for their patronage for the past 8 1/2 years.  
Mr. and Mrs. Gile Edwards  
Edwards Grocery, Channel Lake

## HICKORY

Mr. and Mrs. Wilson King and children attended the wedding of a friend at Whitewater, Wis., Saturday evening. They spent Sunday with the Chris Paulsen family.

Mr. and Mrs. Howard Wells and family of Hammond, Ind., are spending their two weeks vacation with the Curtis Wells family and the Schedek family in Kenosha.

Mr. and Mrs. Joe Sheehan and family drove to Holy Hill, Wis., Sunday morning and attended church services there and spent the day.

Louie Lingard of Armstrong, Iowa, spent Saturday night and Sunday at the William Richards home. His wife Shirley, and twin baby daughters returned home with him after a week's visit with her parents here.

Mr. and Mrs. Kenneth McNeil and family spent last week at Sand Lake, Mich.

Mrs. Emmet King accompanied Miss Norma Welch to Mundelein Sunday afternoon where they attended the annual June meeting of the Lake County Congregational church.

Oscar Finkel arrived home Monday evening from a three weeks trip through the Eastern States.

Sunday afternoon visitors at the William Richards home were Mr. and Mrs. Frank Farm and son of Bristol, Mr. and Mrs. John Hackemer of Chicago and Mr. and Mrs. Charlie Lambert and grandson of

Libertyville.  
Mrs. E. W. King spent Friday at the G. A. Lange home at Hebron.  
Mrs. Chris Cook of Waukegan visited Mrs. Will Thompson on Monday, June 20th.  
Mrs. Grace Turnock of Kenosha called at the E. W. King home on Monday.  
Mr. and Mrs. Fred Leable spent Sunday with Mrs. Ethel Bennet in Kenosha.

Only **Gas** Gives you **Hot Water Faster!**

If your hot water tap ever runs cold, it's time to replace your old water heater. Replace it with a modern automatic GAS water heater designed to keep pace with today's increased demands.

Then you'll be sure of a fresh, abundant supply of hot water whenever you need it... even for those "thirsty" appliances, the automatic clothes washer and dishwasher. GAS water heaters turn on full flame automatically to replace the water as it's used... and since GAS is so fast, you don't need a big, space-taking tank. Enjoy all the hot water you want... any time!... for just pennies a day!

REMEMBER

... with GAS there's no expensive installation necessary... your present service connections are more than adequate!

Get the proper size water heater for YOUR needs... see your plumber-dealer or visit our nearest store. Phone Enterprise 1441

Get out of the ordinary...

**GET INTO AN OLDS!**

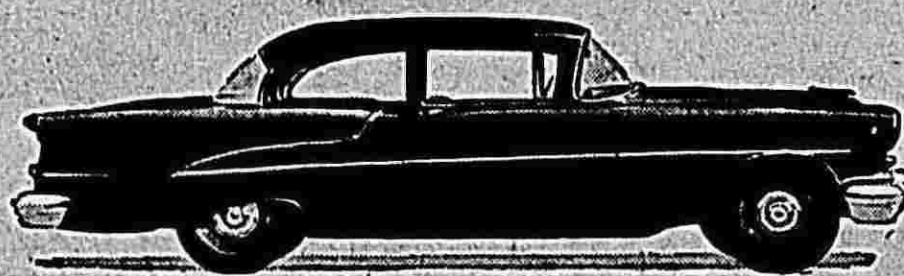

A "ROCKET" FOR EVERY POCKET!

And you'll find one priced just right for you! Choose from thirteen gorgeous models in Oldsmobile's three thrilling series... luxurious Ninety-Eight, the brilliant Super "88" and the budget-priced "88"! Oldsmobile "88" 2-Door Sedan illustrated.

... at a price that's surprisingly low!

Something happens when you go over to Olds! You discover that driving was never like this before. You find yourself enjoying every minute behind the wheel. Perhaps you boast a little about your car... you compare it with others at the drop of a hat. And, of course, you'll find that Oldsmobile is outstanding in any comparison test you care to make—performance, styling, comfort... anything! Let us make the comparison for you—and get our generous appraisal! Get out of the ordinary... get into an Olds for a price that's surprisingly low!

# MOST Modern V8 FOR YOUR JOB!

## NOW...THE SHORTEST STROKE V8's IN ANY LEADING TRUCK!

Now new Chevrolet Task-Force trucks bring you the industry's most advanced V8 engines\* with an ultra-short stroke for reduced friction and wear. Here are some of the modern features they bring you:

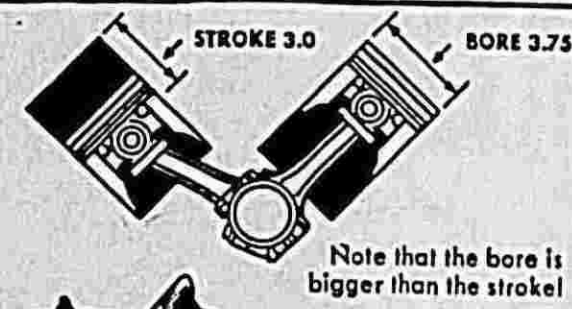

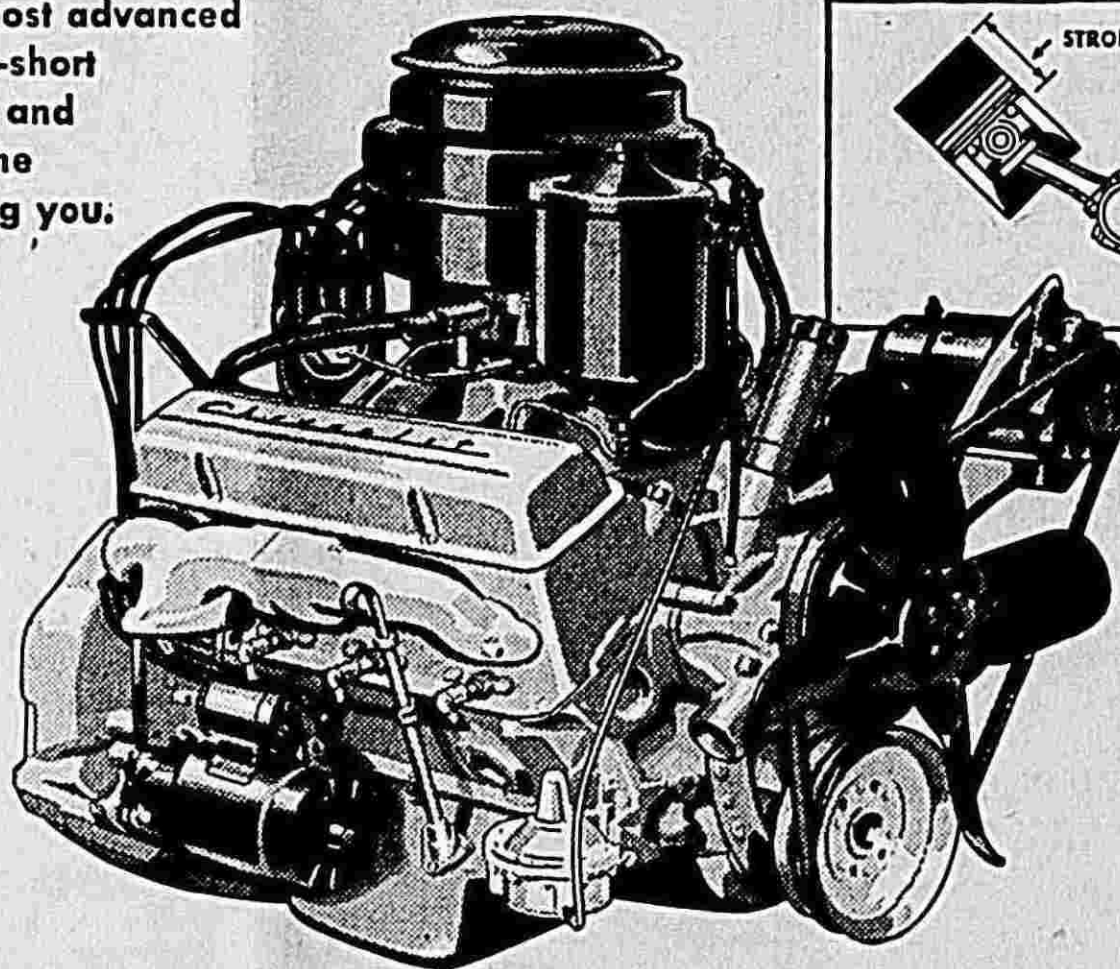

### Modern 12-volt electrical system

You get double the punch for quicker starting and more efficient ignition. Also, you have a greater reserve of electrical power.

### Gas-saving high-compression ratio

With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power—and work—out of every tankful of gas. Hauling costs go down!

Extra-high power per pound  
Compact, super-efficient design results in high power output per pound of engine weight. This means more useable power!

Note that the bore is bigger than the stroke!

### Advanced aircraft-type valves

A new valve train design permits each valve to function independently—as in modern aircraft engines. Valve action is more positive.

### Floating oil intake . . . full-pressure lubrication

New floating oil intake selects the cleanest oil for engine lubrication. Full-pressure lubrication provides positive protection.

\*V8 standard in the new L.C.F. models, an extra-cost option in all others except Forward-Control models.

## Get into the Fine-Car Class...

STAR CHIEF CUSTOM CATALINA

... at a cost you can easily afford!

What is a fine car? What sets a certain few apart in the world's esteem... wins them first place in most people's desire?

First and foremost, a fine car is a style-setter—a real advance in smart appearance.

Naturally, it's also a pace-setter—a fundamental forward step engineering-wise. At the wheel you should know that you've reached the peak of performance—experienced an all-new kind of flashing, vigorous, smoothly delivered power.

There's more, of course. It must be enviable for sheer luxurious comfort, for restful roadability, for thought-quick handling ease.

And it must, above all, be wholly dependable,

for only a trustworthy car can be called "fine."

If this meets your definition of a fine car and you want it, there's nothing in your way. For this description is right off the Pontiac score sheet—a short but perfect picture of this big, powerful, future-furnished car. And Pontiac's prices fit comfortably into anybody's new-car buying plans!

Come in for the rest of the reasons why this is the fastest-selling Pontiac in history—such as the inside story of America's most modern and efficient automotive powerplant, the sensational Strato-Streak V-8. And get the trade-in appraisal this great success permits. We're sure we can prove that now's your time to move into the fine-car class!

THERE'S NO POWER LIKE  
STRATO-STREAK POWER!

Here is the heart of Pontiac's terrific performance—the all-new, ultramodern Strato-Streak V-8! This masterpiece of engine design will deliver up to 200 horsepower with Pontiac's 4-barrel carburetor, an extra-cool option. Come on in, take the wheel and see what Strato-Streak really means!

## WOMEN OF THE MOOSE TO HOLD INSTALLATION OF OFFICERS JUNE 30

The Antioch Chapter of the Women of the Moose held its business meeting last Thursday, June 16, and balloted favorably on a new candidate.

Installation of new officers will take place at 8:00 p. m., Thursday, June 30, in the Grade school. A cordial invitation is extended to the public for the installation as well as refreshments, which will be served at the Lodge, following the ceremony. The installing officers for the installation will be Mr. Lester Nelson, installing regent; Mrs. Lester Nelson, installing chaplain; Mrs. Nels Jung, installing guide; Mrs. Emil Hallwas, installing chairman; Mr. Russell Longman, installing pianist; and Mr. Ben Noble, flag bearer. There will be a ritual practice at the Lodge on June 23 and one on June 27 of all officers and escorts-elect, between 8 and 8:30 p. m. at the Lodge.

Senior Regent, Mrs. Frank Kennedy, Jr., presented all of her officers, escorts and chairmen with personal gifts and her officers, escorts and chairmen with personal gifts and her officers, in turn, presented her with a gift.

Refreshments were served after the meeting by Membership Chairman, Mrs. George Schroeder, and her committee.

## O. E. S. OFFICERS TO HOLD DINNER AND BAZAAR SATURDAY

Plans are completed for the Bazaar and ham dinner given by the officers of the Antioch Chapter, Order of the Eastern Star, Saturday evening, June 25, at the Masonic hall. Dinner will be served from 5 p. m. The bazaar consisting of a rummage, home bakery goods, tables of 5-10 and 25c articles, fancy goods and gift cards, will be on sale beginning at 10 a. m. Saturday morning. Mrs. Theodora Kutz is general chairman of the affair, other chairmen are fancy goods, Margaret Pincombe; rummage sales, Mrs. Elsie Hays; gift card table, Mrs. Barbara Wilson; home bakery goods, Hazel Parfitt, 5-10 and 25-cent table, Lillian Woods and Dorothea Farms is chairman of the dinner.

## MR. AND MRS. HANKE ATTEND WEDDING AT McHENRY

Mr. and Mrs. Otto Hanke, Sr., attended the wedding of Miss Joan Freund and Mr. Robert Freund on Saturday, June 18, at St. Mary's church at McHenry, Ill. The Hanks' grandson George Gilpin, served as an usher and Mrs. Barbara Gilpin was her sister's matron of honor, an little Mary Jo Gilpin was flower girl. They also attended the reception which was held at 5 o'clock at St. Mary's hall.

## AVERY VOSE MARRIES MISS HELEN CHRISTIANSEN

Avery Vose, dairy farmer residing east of Antioch on Crawford rd., recently took as his bride Miss Helen Christiansen of Hawkins, Wis. The ceremony was performed by the Rev. R. E. Savage in the chapel of Christ Episcopal church, Waukegan. They were attended by Mr. and Mrs. Thomas Slater. Mrs. Slater is the bride's sister. A reception was held at the home of Mrs. Esther Knox, sister of the bride, in Waukegan before the couple left on a wedding trip to the Smoky Mountains. Mr. Vose is director of Dist. 7 of the Pure Milk Association and prominent in Farm Bureau work.

To Attend Music Camp Lenore McCord and Robert Cain will go to Charleston, Ill., Sunday to attend the music camp on the campus of Eastern Illinois State Teachers College. The two Antioch High School seniors have scholarships to the camp which were awarded by the Antioch Woman's club. The parents of Lenore, Mr. and Mrs. Harold McCord will take them down by auto, and Robert's parents, Mr. and Mrs. M. C. Cain will bring them home.

E. Morley Webb left Antioch last week for his home at Hamburgo, Mexico D. F., after spending a month with relatives and friends.

## Seeks Queen Title

Miss Edwyna Chernik, daughter of Mr. and Mrs. Edwina K. Chernik of Grays Lake, is a strong contestant for the title of Antioch's American Legion Queen. She is sponsored by the Antioch Sheet Metal Shop.

## Engagement Announced

Paul Clawson, husband of the former Miss Marlene Wertz, of Antioch, was among the graduates at the University of Illinois in June. Clawson graduated with a 4 point average, majoring in geology. They plan to spend the summer here with Mrs. Clawson's parents, Mr. and Mrs. Charles Wertz, going to Montana in the fall where Mr. Clawson will attend the Montana State University and will do part time teaching while working on his Master's degree. The Clawsons have a three month old daughter "Sherry."

Miss Dorothy Edwards, a teacher at Channel Lake school, plans to attend the summer session at Lake Forest College, where she will act as student counselor at the Lodge there.

## Legion Queen Contestant

Ella Mae Edwards is one of the contestants for the American Legion Queen Honors July 10. She is sponsored by Smart's Country House. A resident of Indian Point, Miss Edwards is the daughter of Mr. and Mrs. Warren Edwards.

## Local Girl to Tour Europe

Miss Gail Deitrick, daughter of Mr. and Mrs. K. F. Deitrick, and Miss Sally Biehl, daughter of Mr. and Mrs. Stephen Biehl of Loon lake, left today for Europe where they will become members of a group of 25 college students touring the continent. They will go by airplane to Copenhagen, Denmark, with a stop at Iceland, and after a few days there will fly to London to join their party. Because of a strike tying up boat travel they took to the air for the trip.

Mrs. William Gerber and children drove to Watertown, Wis., Sunday morning and spent the day at the home of Mr. and Mrs. Paul Gerber.

Mr. and Mrs. Gile Edwards returned home last week after a ten day business trip to northern Wisconsin. Their grocery store at Channel Lake will not be reopened.

Mr. and Mrs. Howard Gaston and children Homer and Jill and Mr. and Mrs. Dudley Kennedy and daughter Patricia returned home Tuesday after a vacation in Canada.

Cpl. Robert E. Wilton spent the week end with his parents, Mr. and Mrs. Saul Wilton, pending his discharge at Ft. Sheridan.

## City-Farm Picnic at Gages Lake July 13 Includes Dairy Show

The Tenth annual city-farm picnic will be held Wednesday, July 13, according to Ray T. Nicholas, Lake County Farm adviser. This annual event, which is sponsored by the Lake County Farm Bureau and the Waukegan-North Chicago Chamber of Commerce will be held at the Gages Lake picnic grounds located on route 45, about 1 miles north of route 120.

The picnic will include the Holstein Dairy Cattle Show, WLS artists, a 4-H and City Queen contest, and numerous contests and special events. Everyone is invited to attend and join in the fun and vote for the queen of his choice.

Joann Wagner, 18, daughter of Mr. and Mrs. Arthur Wagner, of Grayslake, and a member of the Grayslake Agricultural 4-H club will be the Club's candidate for county 4-H queen at the City-Farm picnic held on Wednesday, June 13. Joann was selected by the members of her club to be the club's candidate. She has been enrolled in the Grayslake Agricultural 4-H Club for six years, carrying rabbits for her project. This year, Joann was elected secretary of the Grayslake club.

Daughters for Antioch People Daughters were born at Victory Memorial hospital in Waukegan Monday to Mr. and Mrs. Frank Allison and Mr. and Mrs. Robert Lindblad of Antioch.

Mr. and Mrs. George Sass, Jr., returned home Sunday after spending the past two weeks vacationing in Florida. While there they spent several days with Mr. and Mrs. Otto S. Klass, former residents of Antioch. The Klasses live at Miami Beach.

## Red Cross Open House...

(Continued from page 1)  
Elbert Elsbury, Dr. Lee Sewall, Mrs. John Kyndberg, Harold Gripe, Fred Kirchmeyer, William Lachelle, Mrs. William Swartz, Mrs. John Viking and Ray T. Nicholas.

Many school children have already toured the house and it is known many groups will want to view one of the earliest known "inter-household" communication systems the coming school year. For such conducted tours it is suggested that you either call, or write, in advance of the date to be assured there will be no conflict of time. Inquiries will be acknowledged if directed to Post Box 98, Waukegan, or, by telephone, Ontario 2-4044.

### Funeral of Fox Lake Retired Veterinarian Held at Strang Home

Vernon J. Ayres, Sr., 70, of Atwater, Oarway, Fox Lake, died at 9:30 p. m. last Friday at Condell Memorial hospital, Libertyville.

Mr. Ayres was born Feb. 1, 1885 at Waverly, Neb. He was a veterinarian by occupation, practicing in the Plateau Valley, Denver and Sterling, Colo. He moved to Salinas, Calif., where he was employed by the Bureau of Animal Industry for 12 years. When he retired in 1950 he moved to Fox Lake.

Mr. Ayres was a member of Lodge 1336 B. P. O. E., the Independent Order of Oddfellows, at Sterling and the Modern Woodmen. He was a member of the First Methodist church at Salinas.

Surviving are two sons, Vernon J., Jr., of Fox Lake, and R. Gordon Ayres of Kansas City, Mo., five grandchildren, a sister, Mrs. D. N. Stewart of Boulder, Colo., and a brother, Thomas W. Ayres of Apros, Calif.

He was preceded in death by his wife, Selma R. Ayres on Nov. 21, 1954.

Funeral services were held at funeral home in Antioch with the 1:30 p. m. Tuesday at the Strang funeral home in Antioch with the Rev. Howard Benson officiating. Interment was in Fox Lake cemetery.

### Soil Field Day June 24

The Joliet Experimental field soil meeting will be held on Friday, June 25 starting at 1:30 p. m. according to Ray T. Nicholas, Farm Adviser. Visitors will observe the effect of crop rotations and soil treatments on growing crops, and hear a discussion regarding the use of fertilizers in this part of Illinois.

A summary of results with nitrogen, phosphate, and potash used in various ways will be presented.

All interested parties are invited to attend. The Joliet Experiment Field is located about halfway between Plainfield and Joliet on U. S. Route 30.

## Sale of 1,500 Tickets For Firemen's Dance Insures Big Attendance

An estimated 1,500 tickets have been sold by the Antioch firemen for their dance Saturday night at their station on Orchard st.

That doesn't mean that that many people will be dancing to the tones of Bob Vogel's orchestra—at least not at one time, for although the floors of both the fire station and the Rescue Squad building will be used, they wouldn't be large enough. The fact is many buy tickets for the dance who don't expect to attend but who want to show appreciation to the volunteer firemen for their services, while others hope to benefit from prizes.

The annual dance which began back in 1918 has been resumed again after being omitted last year.

Profits from the sale of the tickets and the sale of refreshments provide for the expense of the department during the year. The firemen buy their own uniforms and equipment.

No fire calls were received by the department during the past week according to Chief Edgar Simonsen.

What if there's a call during the dance? The firemen have thought of that and will be ready. But don't try any false alarms.

## Barbara Ann Brown Was Buried Saturday

Funeral services were held at 3:30 p. m. Saturday in the Strang Funeral home for little Barbara Ann Brown, day old daughter of Willie G. and Grace Brown of Lindenhurst Estates, Venetian Village, Lake Villa. The infant was born at 5:30 p. m. Thursday, June 16, at Victory Memorial hospital, Waukegan, and died at 11:35 Friday.

The Rev. Howard Benson of the Antioch Methodist church officiated at the service. Interment was in Mt. Olive cemetery at Zion.

Her father is employed at Johnson Motors. Also surviving are her maternal grandparents, Mr. and Mrs. Russell Randall of Antioch and her paternal grandparents, Mr. and Mrs. Frank Brown of Union, Miss.

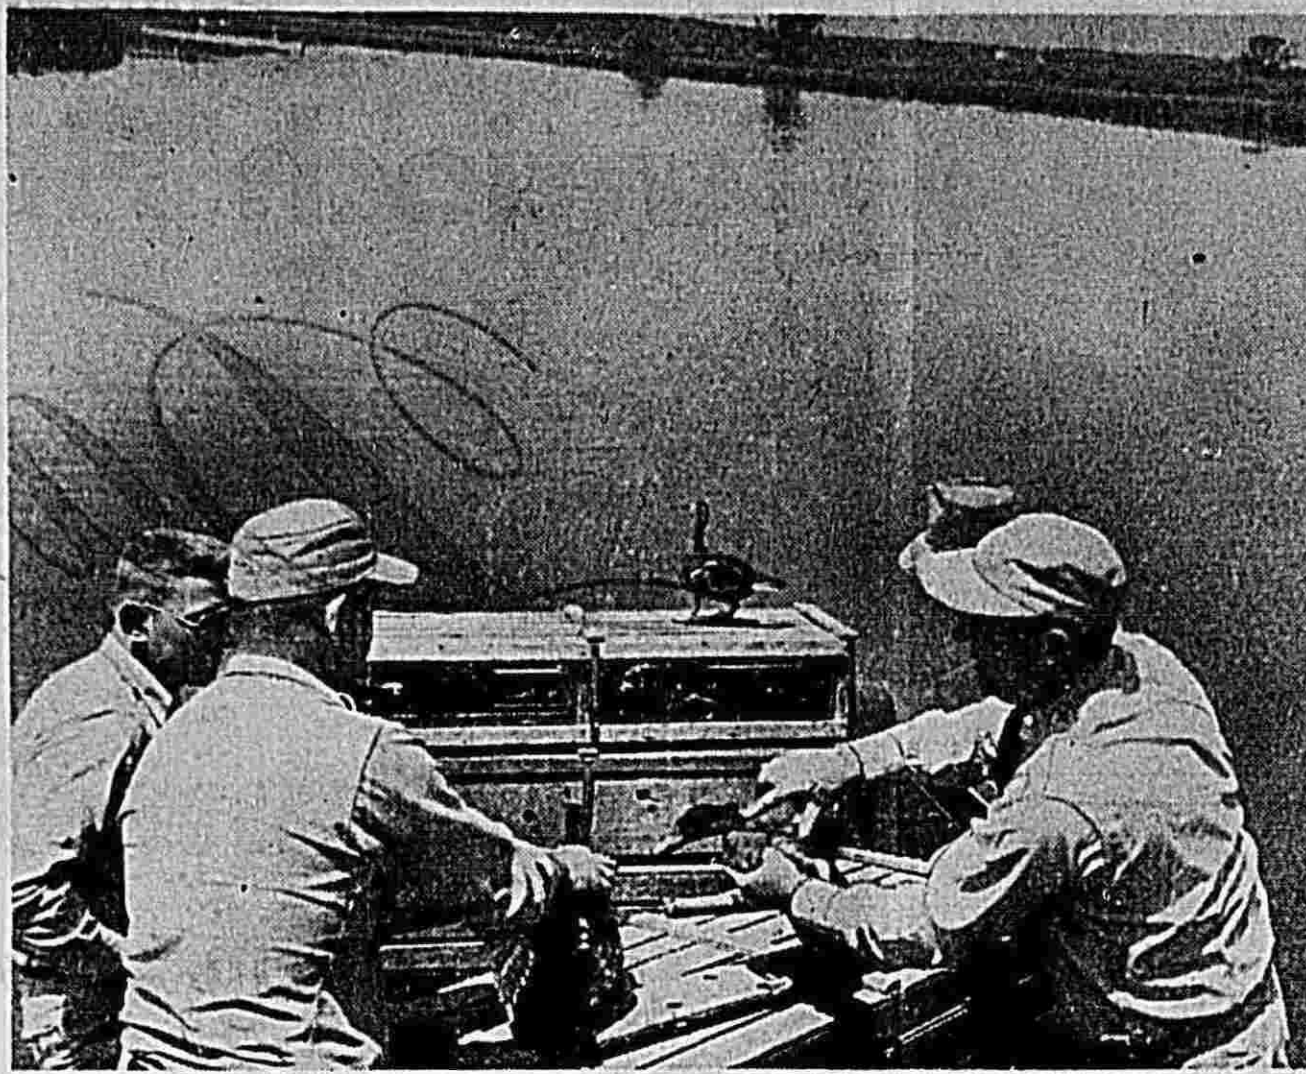

## Libertyville School For Retarded Children Has Antioch Enrollees

Eleven parents of retarded children applied last Wednesday evening to have their youngsters enter a special school proposed by the Retarded Children's Educational Society in the Libertyville areas.

The meeting was called by the educational society, which has schools operating in Waukegan and Zion, to determine how many parents would be interested in having their children enter school next fall.

Thirty-five persons, including parents and interested citizens of Libertyville, Antioch, Round Lake, Grayslake, Mundelein and Lake

## Release 200 Mallards at Grass Lake

Conservation officers release 200 mallards on Grass Lake as Illinois Department of conservation prepares to stock Chain O' Lakes area. Clair Milliken (left) superintendent of department game farm at Channahon where birds are reared, and

District Inspector Russ Carteron of Barrington prepare to release mallard hens, while a cautious drake surveys his new-found freedom from atop crate on stern of boat. (Dept. of Conservati on photo.)

Bluff met with officers and committee members of the society in the American Legion Hall here.

Arthur Leppen, president of the society, explained that eight qualified children would be needed to start a class in Libertyville. If fewer than eight qualified, he said that children in the area could be transported to the Garden School, Waukegan, or Parkside School in Zion.

Before being admitted for training, every child must be examined and approved by Mrs. Delilah White of Evanston, the society's consulting psychologist, said Leppen.

Leppen traced the growth of the Zion and Waukegan schools for retarded children to a final enrollment of 29 pupils from three children started at the Zion Parkside School

in February, 1954. Parents of these children in the Waukegan and Zion area got the first class under way after organizing in July, 1953.

Julius Hoppe, educational chairman of the retarded children's society, stressed the importance of training uneducatable children to be useful, live well in the community and become self-supporting in the future. He said the society was interested in starting a workshop for the older children, two evenings a week in order to train them for suitable positions.

Parents who were unable to attend the meeting last Wednesday evening and who are anxious to have their children attend the special school may contact the educational chairman, Julius Hoppe, by writing to him at 2904 Ezekiel Ave.,

Zion, Ill., or by phoning him (Trinity 2-3136) as soon as possible.

The group showed great interest in two colored films, one taken recently of students at the Parkside and Garden schools, and the other of last summer's speech class taught

## A truck engine needs a "backbone" like this—

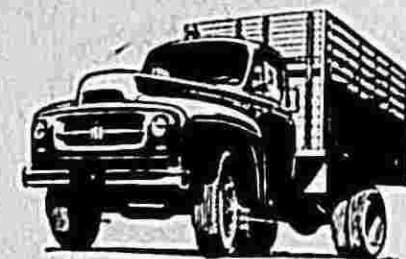

## to save you the BIG money

Crankshafts are just one example of INTERNATIONAL all-truck engineering that saves you the big money. Of the five leading truck makes, only INTERNATIONAL builds a complete line of models that are all-truck, with no automobile engines or components asked to do a truck job.

You save the most with an INTERNATIONAL that's all-truck built to last longer. It earns its keep in lower over-the-years operating and maintenance cost. It pays for itself in use. It saves you—earns you—the big money.

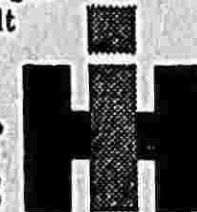

Keeping costs down has made INTERNATIONAL the heavy-duty sales leader for 23 straight years. Come in and let us show you the right INTERNATIONAL for your job—built to save you the BIG money!

INTERNATIONAL crankshafts are designed and built for truck use. They are 17% heavier than the average of the forged or cast alloy 6-cylinder crankshafts used in the four other leading light-duty makes. But without any "lazy metal"—for maximum strength and rigidity, long life.

INTERNATIONAL builds the world's most complete truck line—from medium-duty all-purpose farm trucks and light-duty farm pickups and stakes to 90,000 lb. GVW off-highway giants, 200 basic models, 32 engines. Trucks for every hauling job.

*They're making it the*  
**BIGGEST-SELLING BUICK**  
**OF ALL TIME**

*Maybe you'd better see for yourself why  
folks just won't do without this great car*

**P**EOPLE say success makes success  
—but we say *people* make success,  
and how!

It's people—just like you—who are  
snowballing Buick sales this year to  
an all-time peak.

It's people—just like your neighbors  
down the street—who are snapping up  
these gorgeous new Buicks almost as  
fast as we get them from the factory,  
and causing Buick production to climb  
to new levels every month, to handle  
the unparalleled demand.

And it's people—just about from every  
walk of life—who keep Buick sales  
soaring without letup—and who have  
moved Buick more solidly than ever

into the charmed circle of America's  
top best sellers.

But why? Why this phenomenal  
swing to Buick on the part of people  
who can choose *any* new car?

Because Buick's a buy—definitely.

And because it's a bold beauty that  
catches the eye and holds it—that's  
for sure.

And certainly because it's supremely  
level of ride—and a sweet joy to handle  
—and a mighty bundle of high-voltage  
V8 power to melt away the miles and  
the high hills.

But most of all, because Buick this  
year is a performer like no earth-  
bound vehicle ever was before...

Because Buick—and only Buick—has  
the airplane-principled magic of  
Variable Pitch Dynaflo\* where you  
switch the pitch for big gas savings in  
cruising—or for whip-quick getaway  
response and acceleration when you  
need a sudden safety-surge.

It's sheer thrill, and pure pleasure,  
and a big boon to your gasoline budget  
—and you really ought to try it.

Come visit us soon—this week, at the  
latest—and see for yourself why this  
is the car folks just won't do without—  
the biggest-selling Buick of all time.

## PAGE TEN

## LAKE VILLA

Rev. Kenneth Plummer is attending the annual conference being held in Elgin this week, and C. N. Dunbar is attending as lay delegate for the Community church here.

The M. V. F. met Sunday afternoon at 4:30 p. m. at the home of Mr. and Mrs. Thomas Moorman for a picnic and a program of worship and recreation.

Vacation church school closed last week with a program at the church on Thursday evening and a picnic at Lehmann park on the following day.

Circle No. 1 of Woman's Society of Christian Service will meet at the church on Wednesday afternoon, July 6 for the quarterly pot luck dinner in celebration of the April, May and June birthdays of members and friends. Visitors are always welcome. Mrs. Angot Sorenson and Mrs. Mary Nelson will be hostesses for the day and Mrs. Clara Perry will lead in a devotional period. The ladies are in readiness for their annual summer sale at the school gym on Wednesday, July 20, when a luncheon will be served, followed by a card party. Booths for various articles like aprons, pillow-cases, rugs, home made bakery goods, candy, etc., so please keep the date in mind.

Joseph Pleviak and family who recently arrived from Pennsylvania are getting nicely settled in the home they recently purchased from Mrs. Martha Daube. Mr. Pleviak is one of the teachers at the grade school. Mrs. Daube has gone to Waukegan to live with her daughter Genevieve who is employed at the telephone exchange.

The Joe Nader, Jr., and Wm. Effinger families enjoyed an outing at Chetek, Wis., during last week. Mrs. Ruth Schumacher who has been living at Wonder Lake, and recently sold her home there, is house guest of Mr. and Mrs. Paul Avery, Sr., for a time.

The Pinochle club was entertained at pot luck dinner and games of Pinochle last Tuesday afternoon at the home of Mrs. L. J. Tweed at Monaville.

The inhalator squad of Lake Villa fire department was called to the Russell Nickerson home last Thursday afternoon when their daughter Donna had difficulty in breathing, due to too much exposure to the sun, but has fully recovered.

Mr. and Mrs. Traver Ellis and family of Belvidere spent the week end with Mrs. Ellis' parents, Mr. and Mrs. B. J. Hooper. James and David Ellis are spending the week here.

Mr. and Mrs. Harvey Brooks of Burnette ave. are receiving congratulations on the birth of their first grandchild, a daughter Roberta Ann, born to their son Robert Brooks and wife on Saturday, June 18. They live at Brookfield and Mr. Brooks is employed at the Western Electric Co.

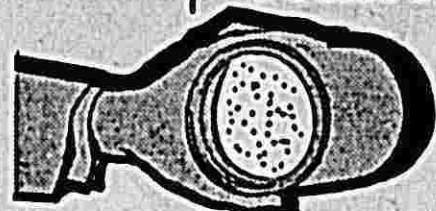

Airman 2/c Bob Bunkelman of the Army Air Force and stationed at Roswell, N. M., is home on a 30 day leave with his parents, Mr. and

Mrs. Lester Bunkelman. Charles Bock who attends college in Ohio is on vacation and spent some time this week with relatives here.

Mrs. Ella Kowalsky of Chicago was week-end guest of her brother, Carl Reinebach and wife.

Mrs. Effie Kelly of Racine visited Mr. and Mrs. Charles Kelly over Saturday and Sunday.

By JACK SEIB and JOHN SHERBET

One of the latest electronic inventions to reach the patent offices is a device that puts people to sleep. It is being tested for the possible help in reducing weight, and may be some help for reducing pain in childbirth.

You stare into a light projector which emits variations of light and a hearing set gives you a variation of sound tones. These effects are synchronized with your breathing and cause a hypnotic spell that puts you to sleep in minutes.

No... we don't have these machines in stock at COURTEOUS TV. The inventions have not been marketed yet. But we keep-up with all the latest electronic devices, and we'll wager that we could service it with the modern electronic equipment we have. Might it be your TV set, radio, record player, or whatever electronic device you have. Phone Antioch 144 and let us completely service it with the latest equipment.

## USE OUR BUDGET PLAN

to buy next winter's fuel oil the modern, sensible way.

### FOR EXAMPLE:

If your season's heating cost is approximately \$160.00 your monthly payments would be:

- \$13.34 for our 12 month plan (1st payment in June)
- \$14.55 for our 11 month plan (1st payment in July)
- \$16.00 for our 10 month plan (1st payment in August)
- \$17.78 for our 9 month plan (1st payment in September)

Who's showing its heels to the high-priced cars?  
*The Motoramic Chevrolet!*  
The other low-priced cars aren't even in the running!

..and you're gone!

The Bel Air Sport Coupe. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

### IT'S EXCITEMENT ON WHEELS!

The light turns green... you nudge the accelerator ever so gently... and you're gone! That's the way it is in the Motoramic Chevrolet. When your toe says "Let's go," a hoodful of high-compression horsepower explodes into action, sweeping you away from traffic tangles, making short work of steep hills, putting new fun in your driving life!

### RECORD-SMASHING ACTION!

That's what you get with Chevrolet's new "Turbo-Fire V8"! In the recent NASCAR\* stock car competition at Daytona Beach, Chevrolet showed its heels to all other low-priced cars. In the one-mile straightaway run, the first two cars—and six of the first ten—were Chevrolets! And in acceleration runs from a standing start against all comers, Chevrolet beat all low-priced cars—and every high-priced car except one!

Chevrolet's two new "Blue-Flame" sixes have plenty of sizzle, too. In fact, they're the highest powered sixes in the low-price field!

### TREAT YOURSELF TO ADVENTURE

Come in and drive the car that is making 1955 famous! That's the only way you'll discover all the exciting reasons why Chevrolet's stealing the thunder from the high-priced cars!

### Son of George Young Missing Following Boat Trip at Atchison, Kan.

Glen R. Young, 33, son of Mr. and Mrs. George Young of Morley's subdivision is missing according to word received from Atchison, Kan., where he resided.

Young was said to have gone fishing last Wednesday and failed to return. His boat and motor were found, but the body has not been recovered according to latest information.

Glen was married and had a six-year-old son. He served in the U. S. Army four years as a first lieutenant.

### Clem Tilton, 60, Buried in Wilmot

Clem Tilton, 60, Wilmot, Wis., died Tuesday at Burlington Memorial hospital, following a lingering illness. Before moving to Wilmot six years ago he had made his home in Richmond, Ill.

Funeral services were held today (Thursday) at the Methodist church in Wilmot.

Survivors are his wife, Hilda, five sons, 16 grandchildren, five brothers and one sister.

### Sales Tax Will Be Raised to 3c Before Present Session Ends

Rep. Paul Powell (D., Vienna) says he is certain the legislature will increase the 2 per cent sales tax before the current session ends June 30.

Powell said that, if necessary to settle constitutional questions, he would drop a property tax reduction feature from a bill he is sponsoring for a state-wide 3 cent sales tax.

Powell's bill is competing for house votes with the revenue program advocated by Gov. Stratton and Mayor Daley of Chicago, who want the state tax raised to 2½ cents and cities given the power to levy an additional one-half cent tax.

Under an agreement with the Chinese Red Cross, the American Red Cross on May 30, made its first shipment of food and comfort parcels to the 44 American civilians and airmen held in Communist China.

### It's the Female of the Species That Bites in Case of the Mosquito

Mosquitoes plague man from the tropics to the Arctic Circle, from coastal marshes to far-inland deserts. Yet your knowledge of their habits has so far been relatively scant.

Entomologists, studying this universal pest, have learned a good deal about it. Some of their findings are revealed by Allen Rankin in the July Reader's Digest.

Only the female mosquito bites, the male not being equipped to. According to current belief, the female of any mosquito species needs an occasional sip of human or animal blood as a kind of vitamin. Without this rejuvenating charge at least once every 25 generations, the breed begins to weaken and die.

Rankin's article, condensed from La Revue Moderne, states that the female mosquito's high-frequency drill slips easily through the toughest skin. Generally, she can take off before you slap because the sudden tension of your skin "telegraphs" the blow. To the mosquito, the slightest nervous rippling beneath her is like an earthquake.

The pests seem to bite most often at night, probably because the species that is the biggest nuisance happens to be a night-feeder. The female finds her way to the target in the dark by means of a "chemoreceptor"—a combination sense of small and radar-like sense of "feel" beamed to heat waves and odors given off by the human body.

The common house mosquito seldom flies more than 1000 feet from its birthplace. Some of the salt-water marsh breeders, however, can raid towns 50 miles distant.

The male mosquito lives only eight or nine days, the female about 30. In her life span, however, the female of the common species lays about 100 eggs, and in temperate climates 15 generations are born in a season. The resulting progeny, if unmolested, would reach astronomical figures.

Mosquitoes are actually good for something, from the human viewpoint. Without mosquitoes as food, many insect-eating birds and animals might perish, allowing even worse pests than mosquitoes to plague us.
